SHEIKH RASKI RAYHAN
MERN Stack Web Developer
Phone: +880 1995-785133 | Email: raskirayhan@gmail.com | Location: Bagerhat, Khulna, Bangladesh
Profiles: GitHub | LinkedIn | Portfolio

PROFESSIONAL SUMMARY

Dedicated MERN Stack Developer and Computer Science undergraduate focused on engineering high-performance, mobile-responsive web platforms. Proficient in architecting modern frontend interfaces using React.js and Next.js, integrated with scalable MongoDB and Node.js backend solutions. Committed to delivering clean, maintainable code and optimized UI/UX while addressing intricate engineering requirements.

TECHNICAL & INDUSTRIAL SKILLS

Frontend: React.js, Next.js, JavaScript (ES6+), TypeScript, Tailwind CSS, HTML5/CSS3, Redux Toolkit.
Backend & Database: Node.js, Express.js, MongoDB, RESTful APIs, Firebase Auth, JWT Authentication.
Tools & Concepts: Git, GitHub, Vercel, Netlify, Postman, Data Structures & Algorithms, OOP.
Soft Skills: Problem Solving, Technical Communication, System Analysis, Agile Collaboration.

FEATURED PROJECTS

1. FixItNow – On-Demand Service & Repair Platform

Overview: A full-stack MERN application enabling seamless discovery, booking, and management of local home repair and technical services.
Project Links: Live Demo | Client Repository | Server Repository
Major Features:
• Role-based JWT & Firebase authentication securing user and service provider dashboards.
• Real-time service search, multi-category filtering, and interactive booking workflows.
• Express.js REST API and MongoDB backend with complete CRUD data management.
• Fast, mobile-responsive UI built with React.js, React Hooks, and Tailwind CSS.

2. G3 Architects – Architectural Portfolio & Services Platform

Overview: A modern, responsive web application designed for architectural firms to showcase featured projects, client testimonials, and service offerings.
Project Links: Live Demo | Code Repository
Major Features:
• Interactive projects showcase galleries built with CSS Grid, Flexbox, and modal overlays.
• Mobile-first responsive architecture ensures seamless layout adaptation across viewports.
• Smooth scroll navigation, visual hero sections, and dynamic UI micro-interactions.
• Optimized asset delivery maintaining fast page load speeds and cross-browser accuracy.

EDUCATION

Bachelor of Science (B.Sc.) in Computer Science & Engineering (CSE)
North Western University, Khulna, Bangladesh | Status: Undergraduate Student (Ongoing)
Key Coursework: Data Structures & Algorithms, Database Management Systems (DBMS), Software Engineering & System Analysis, Web Engineering, Object-Oriented Programming (OOP).

EXTRA-CURRICULAR ACTIVITIES & LEADERSHIP

• Public Speaking & Debating: Active Speaker at University Debating Club – Sharpened structured argumentation, logical reasoning, and articulate communication through competitive debate tournaments.

LANGUAGES

• English: Professional Working Proficiency
• Bengali: Native / Full Professional Proficiency
